

OVER HALF OF ALL BIG PROJECTS FAIL TO ACHIEVE THEIR OBJECTIVES. WE'RE HERE TO CHANGE THAT.

Get wholistic, timely, and dynamic metrics from the data and applications you already use. Pull data from common systems such as ADO, M365, Asana, Zendesk, Zoho, ERP systems and more. Corbeau white-glove concierge services expertly configure and connect your data sources.

PROJECT SUCCESS NAVIGATION

TEAM VIEWS AND EXECUTIVE VIEWS

- Our state-of-the-art mobile application provides a Tier-1 executive view built to quickly assess project health and status of all projects.
- Crows Nest team view obscures budget amounts while encouraging users to achieve healthy green status markers.

PLAN FOR TOMORROW, TODAY

- Quickly assess project health scores, and take a forward looking view at each project.
- Our application performs highly-refined calculations on your connected data, supplying you with a cumulative success score along with scores around specific PM knowledge areas.

SUPPORT AND GUIDANCE, EACH STEP OF THE WAY

- We speak your language! With over 50 years of combined experience, we can help you achieve a higher rate of project success.
- Our best in class concierge service provide supports and guidance throughout your Crows Nest journey.

READY TO LEARN MORE?

We'd love to hear from you. Reach out to set up a personalized demo, connect to your data sources, and navigate the product.

PERFORMANCE ON DEMAND

THE EXECUTIVE MOBILE EXPERIENCE

- Add your favorite projects to the home screen and see project health scores at a glance.
- Quickly determine if we're on track and under budget using the Earned Value forecast.
- By default, only specified users can see financial information. All others see % information.

THE TEAM MEMBER EXPERIENCE

- Consolidated information of project performance is available to all members creating a community of achievers around project outcomes.
- Details on deliverables, payment milestones, and Risks & Issues right at your fingertips.
- Team members will be able to "get to green" by understanding health score criteria.

CONCIERGE SUPPORT AND COACHING

- "We do the dirty work!" As a Premier client you will have a dedicated Corbeau concierge proactively engaged to handle the installation.
- Throughout your subscription, your concierge will smooth the data connection process and assist with the app use learning curve.
